COUGAR 1979

VOLUME 10

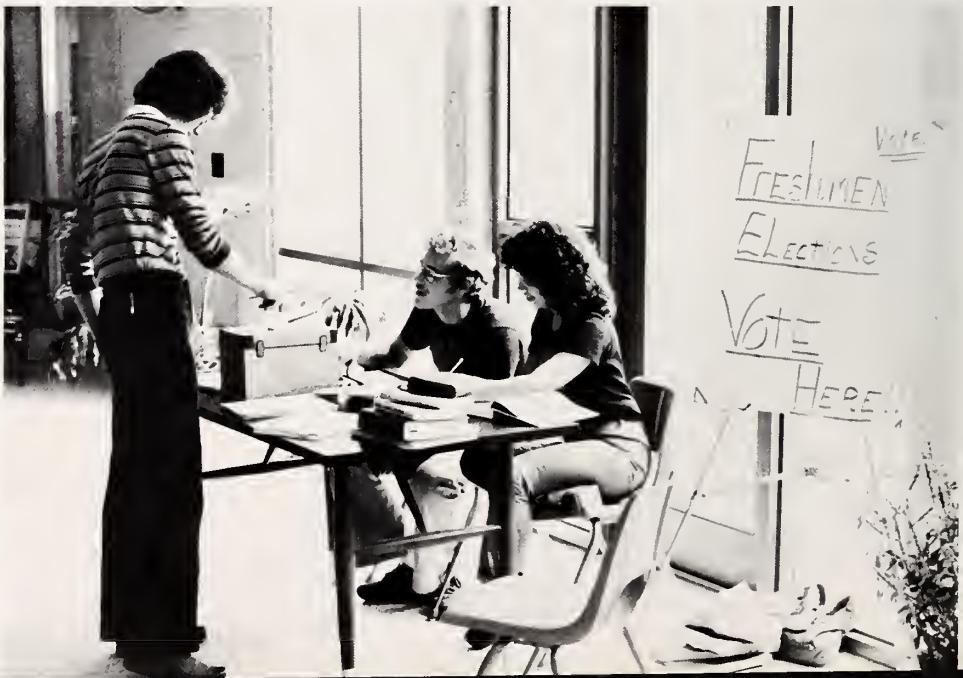

Wilkes Community College
Wilkesboro, North Carolina

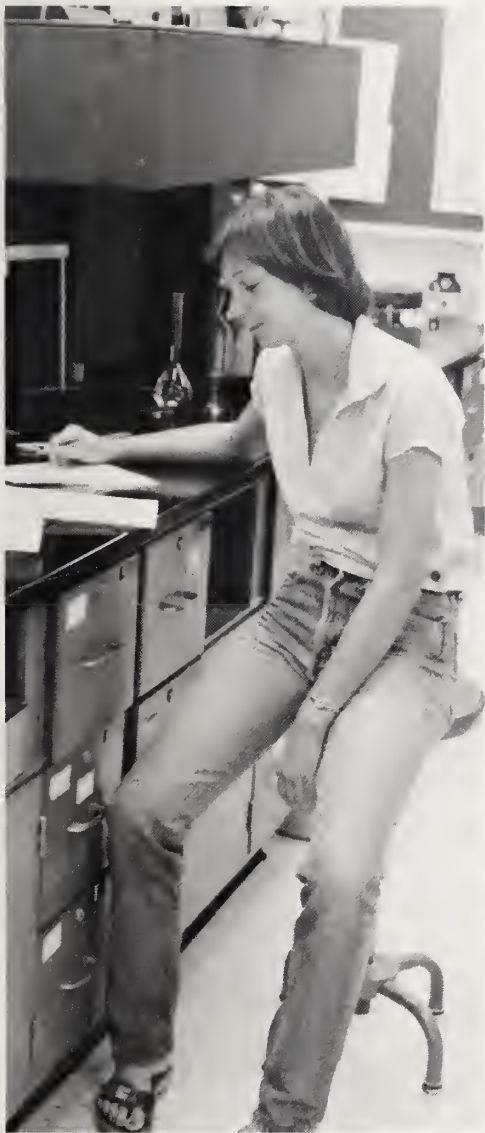

A black and white photograph of a person sitting on a rocky shore, looking out at a body of water with a dense forest in the background. The person is wearing a light-colored shirt and dark pants, and is sitting on a large rock. The water is calm, and the forest is dense with trees. The overall mood is peaceful and contemplative.

You Were Meant To Be

If you can wake up
Smiling every morning
And keep a happy heart
throughout the day

Together for Others

If you can show your
brighter side to others
And never give
a troubled thought away

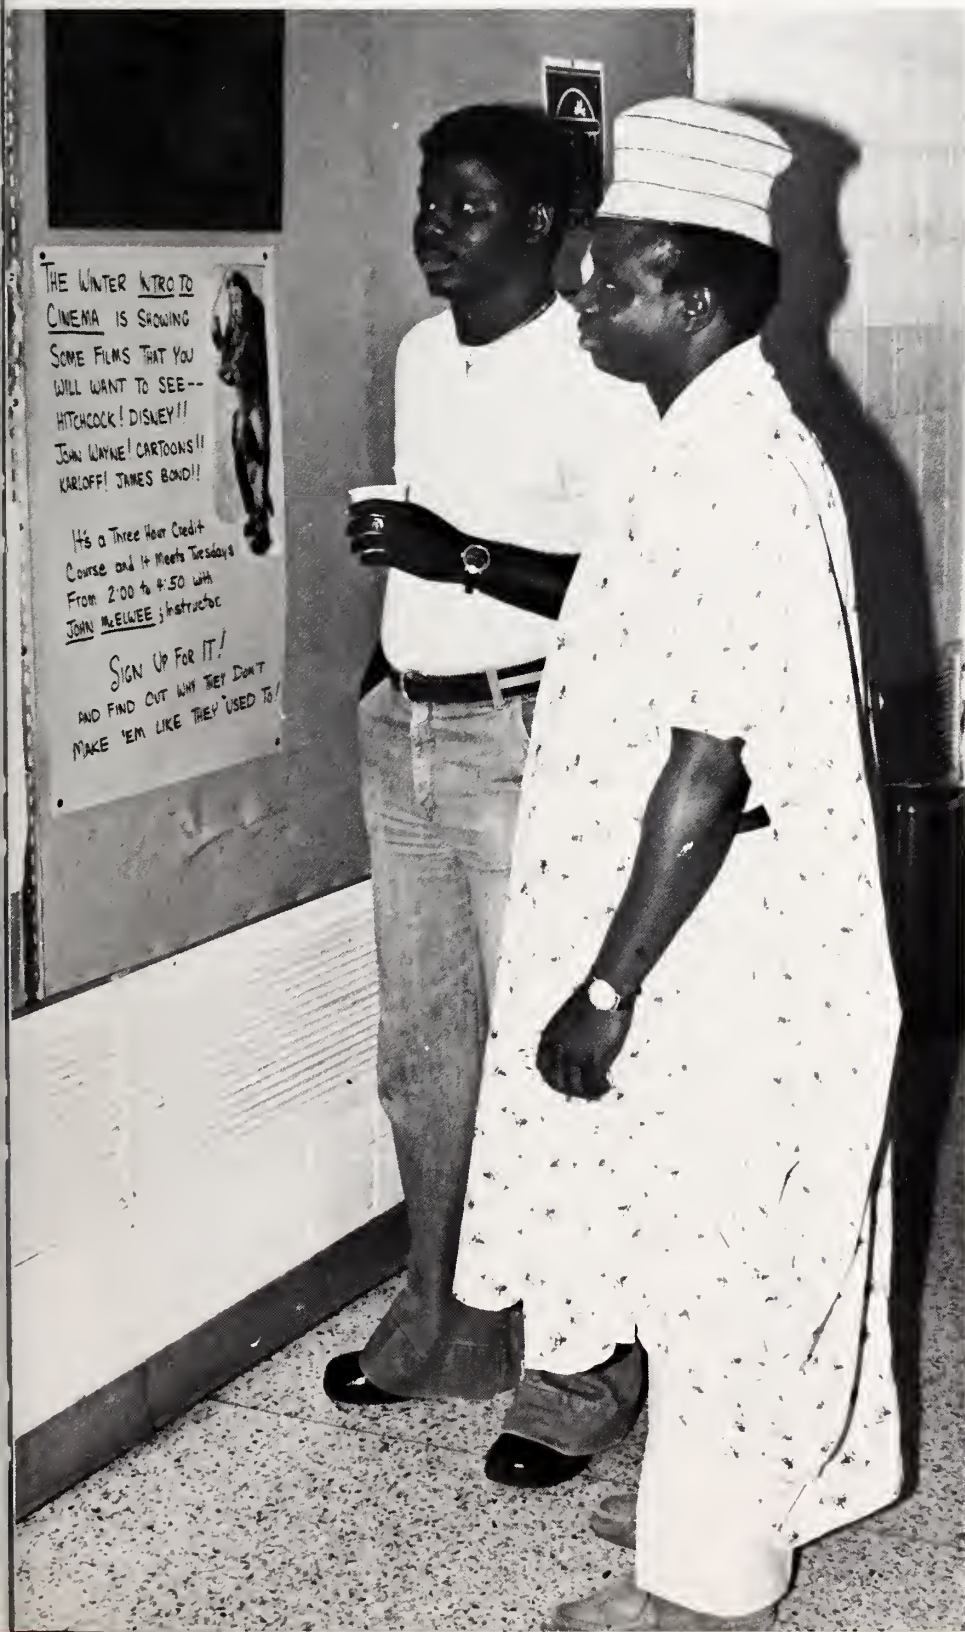

If you can get along with those around you
Respect their creeds, yet stay true to your own
Give help and comfort to the ones who need it
And be a friend to those who are alone

If you can make each effort be your best
one
While trying to give just a little more

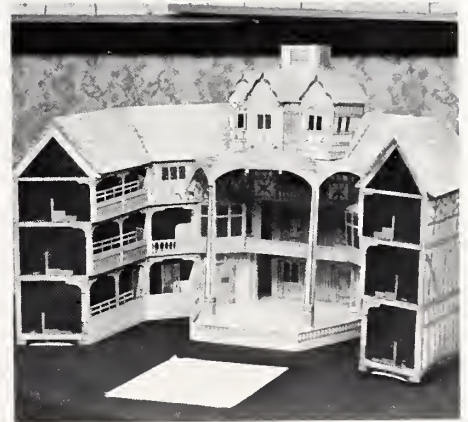

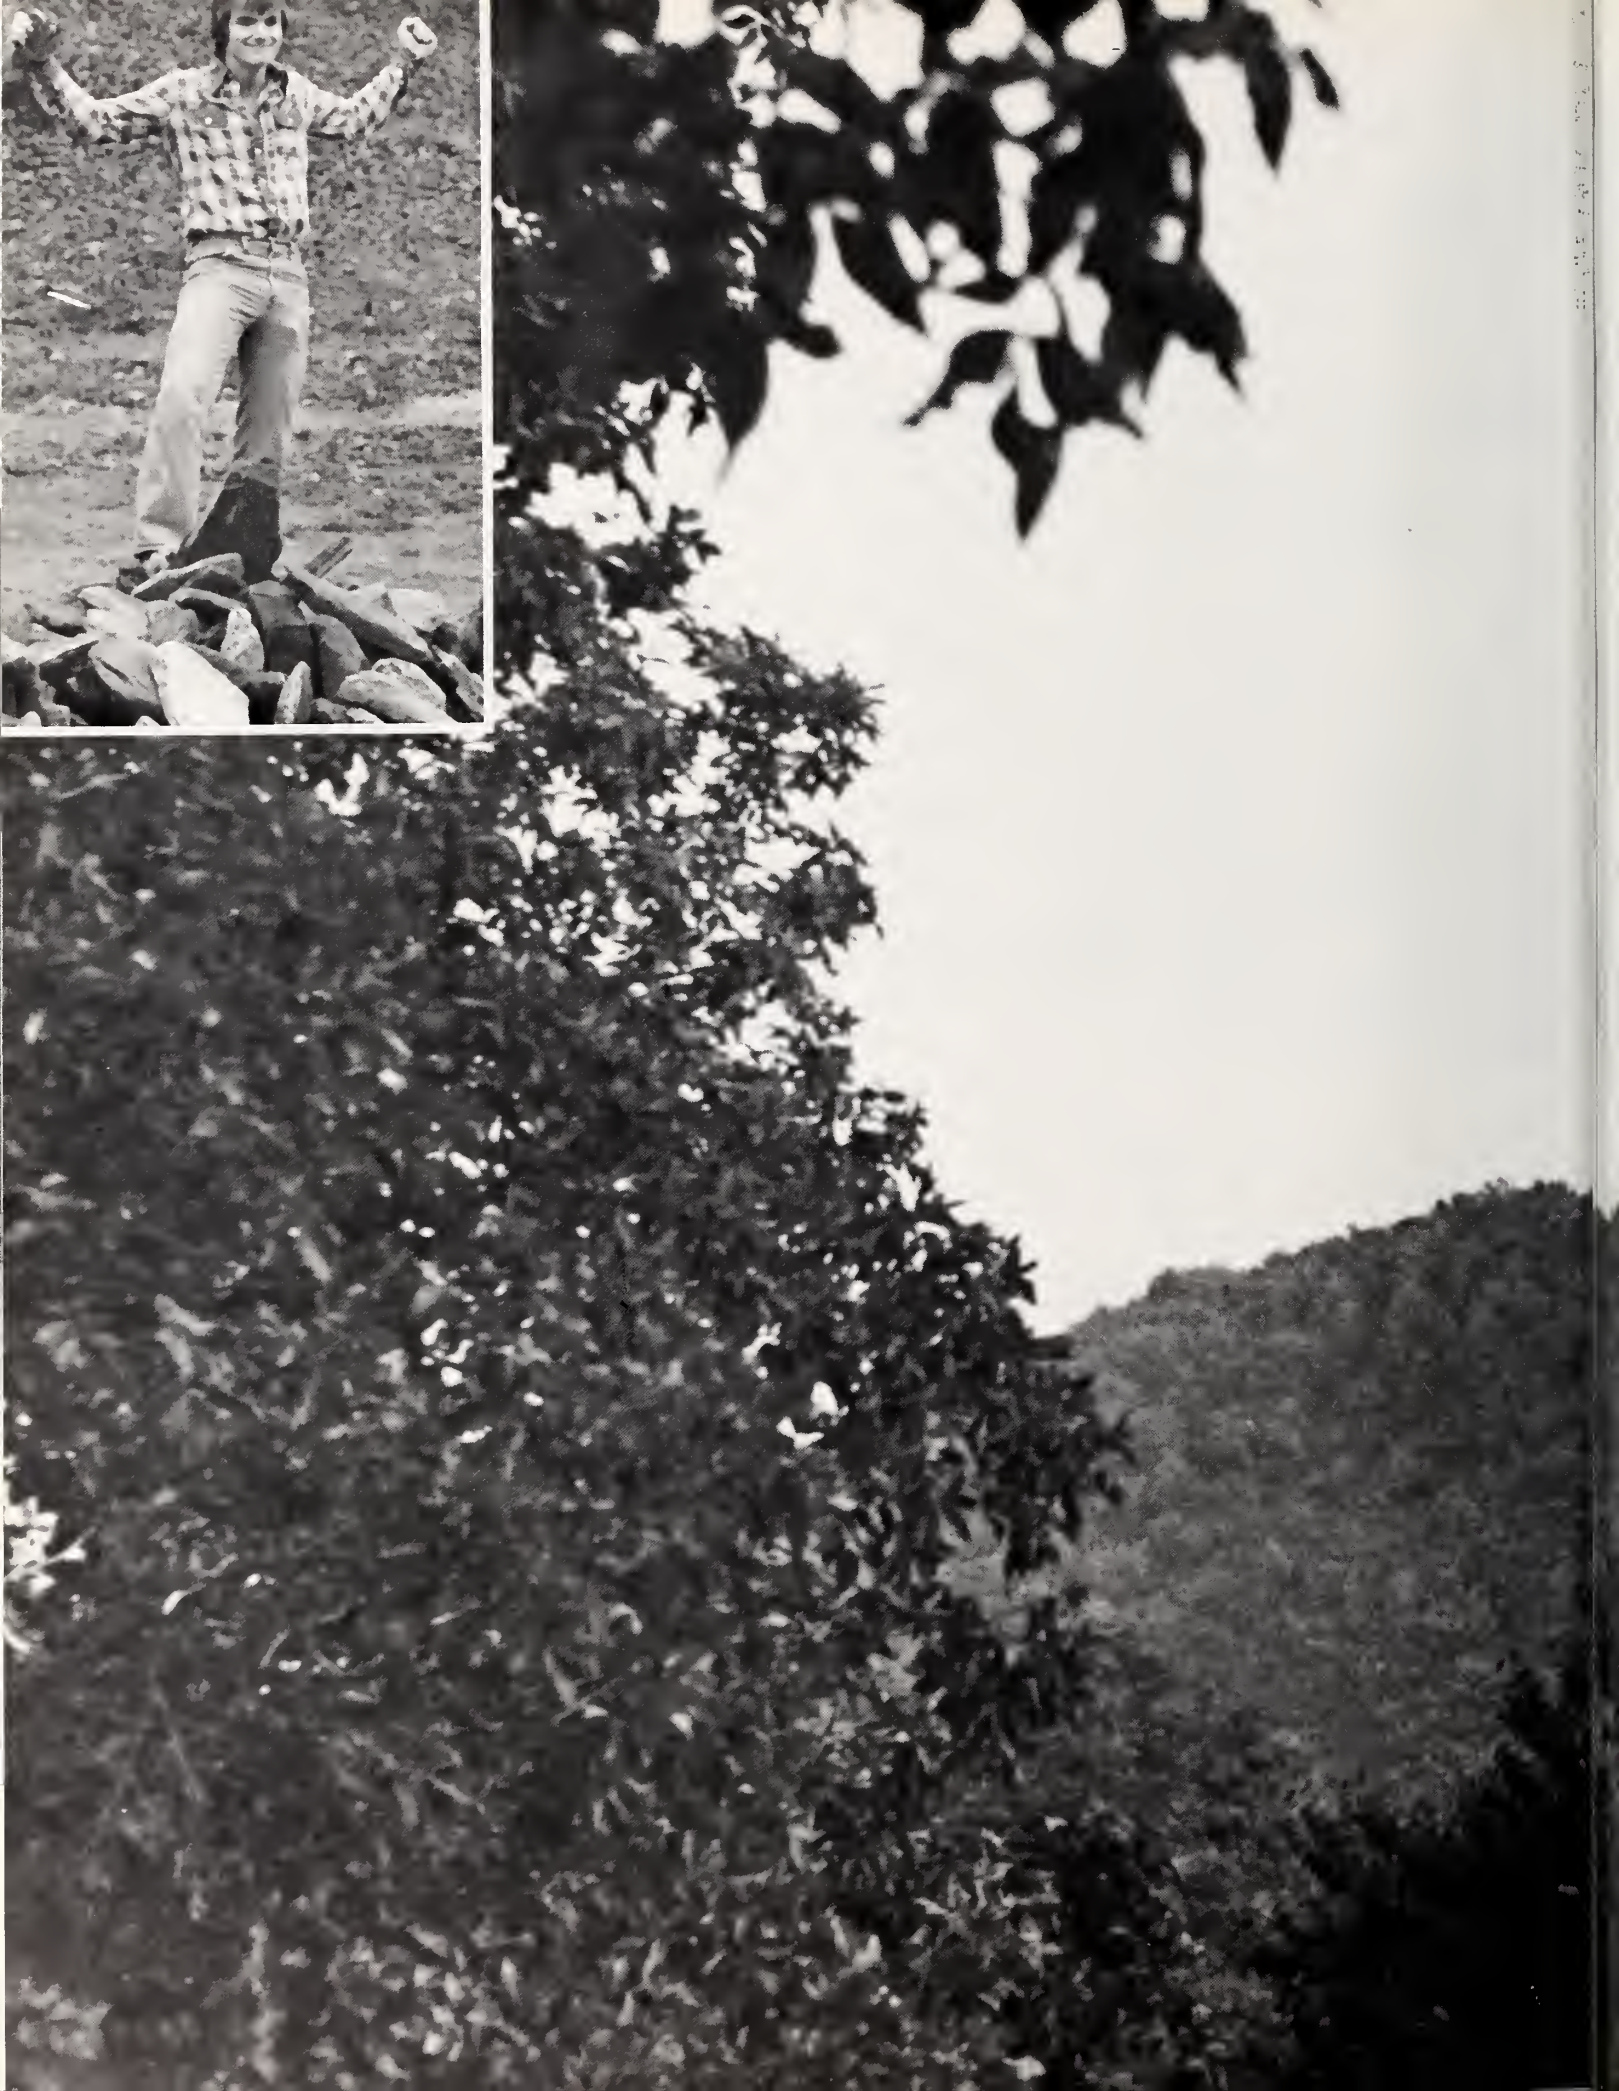

If you can learn from honest criticism
Accepting it for what it's really for

If you can concentrate on worthwhile ventures
While putting foolish fancies in their place

THE COUGAR STAFF

Hours upon hours of work against nearly impossible odds yielded the 1979 annual. This yearbook is the first in three years at WCC. The staff was advised by Dr. Jo Hendrix, and aided a great deal by Dr. Bob Thompson. The staff's brave effort was handicapped by a late start and bi-monthly deadlines. The staff plans to attend a workshop sponsored by Josten's American Yearbook Company in June 1979, and this headstart will produce a very successful 1980 annual.

Dr. David E. Daniel was inaugurated as WCC's second president on October 1, 1978. At this time, an Open House and a dedication of the new Technical Arts and Power Mechanics Buildings were held. The inauguration and dedication committee was headed by Betty R. and Bob C. Thompson.

DRAMA

WCC Drama is headed by Bud Mayes. The striking "Mar-at/Sade" was produced early in the year. In the fall was the impressive "Hamlet" and added were five student-directed one-act plays, an original children's show, and a spring production. Long hours put in by various members of the community and school yielded quality entertainment as usual.

SHELAGH GAFFIKIN: VISITING ARTIST

Ms. Shelagh Gaffikin is WCC's first visiting artist. She has presented demonstrations, workshops, and performances throughout the 1978-1979 school year. Ms. Gaffikin works with ballet, mime, character, jazz, modern tap, and slimnastics.

JAZZ

The Jazz Ensemble is directed by Mr. Jerry Bangle. This group includes students, faculty, and members of the community who are interested in performing jazz music. These people meet once a week on Tuesday night to rehearse.

Mr. Jerry Bangle directs the symphony orchestra. The symphony orchestra meets once a week on Monday night. Members of the community are able to participate along with students and faculty. The symphony orchestra is a uniting factor between WCC and the community.

MEMORIES

If you can meet each joy or disappointment
With the right degree of self-control and grace

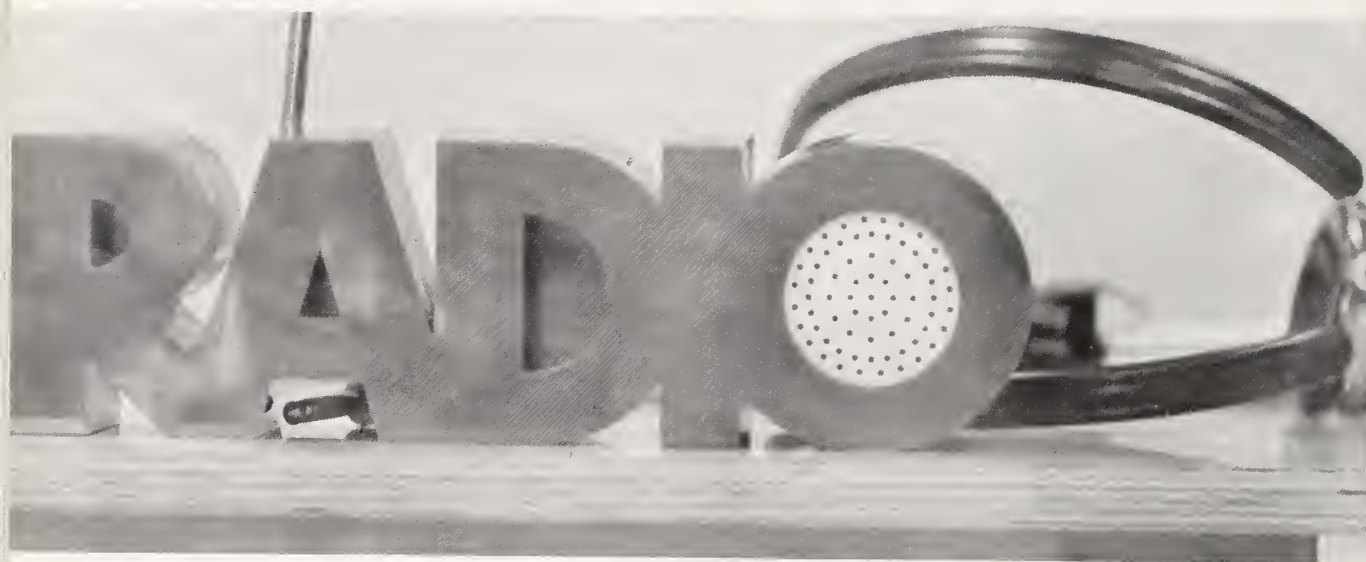

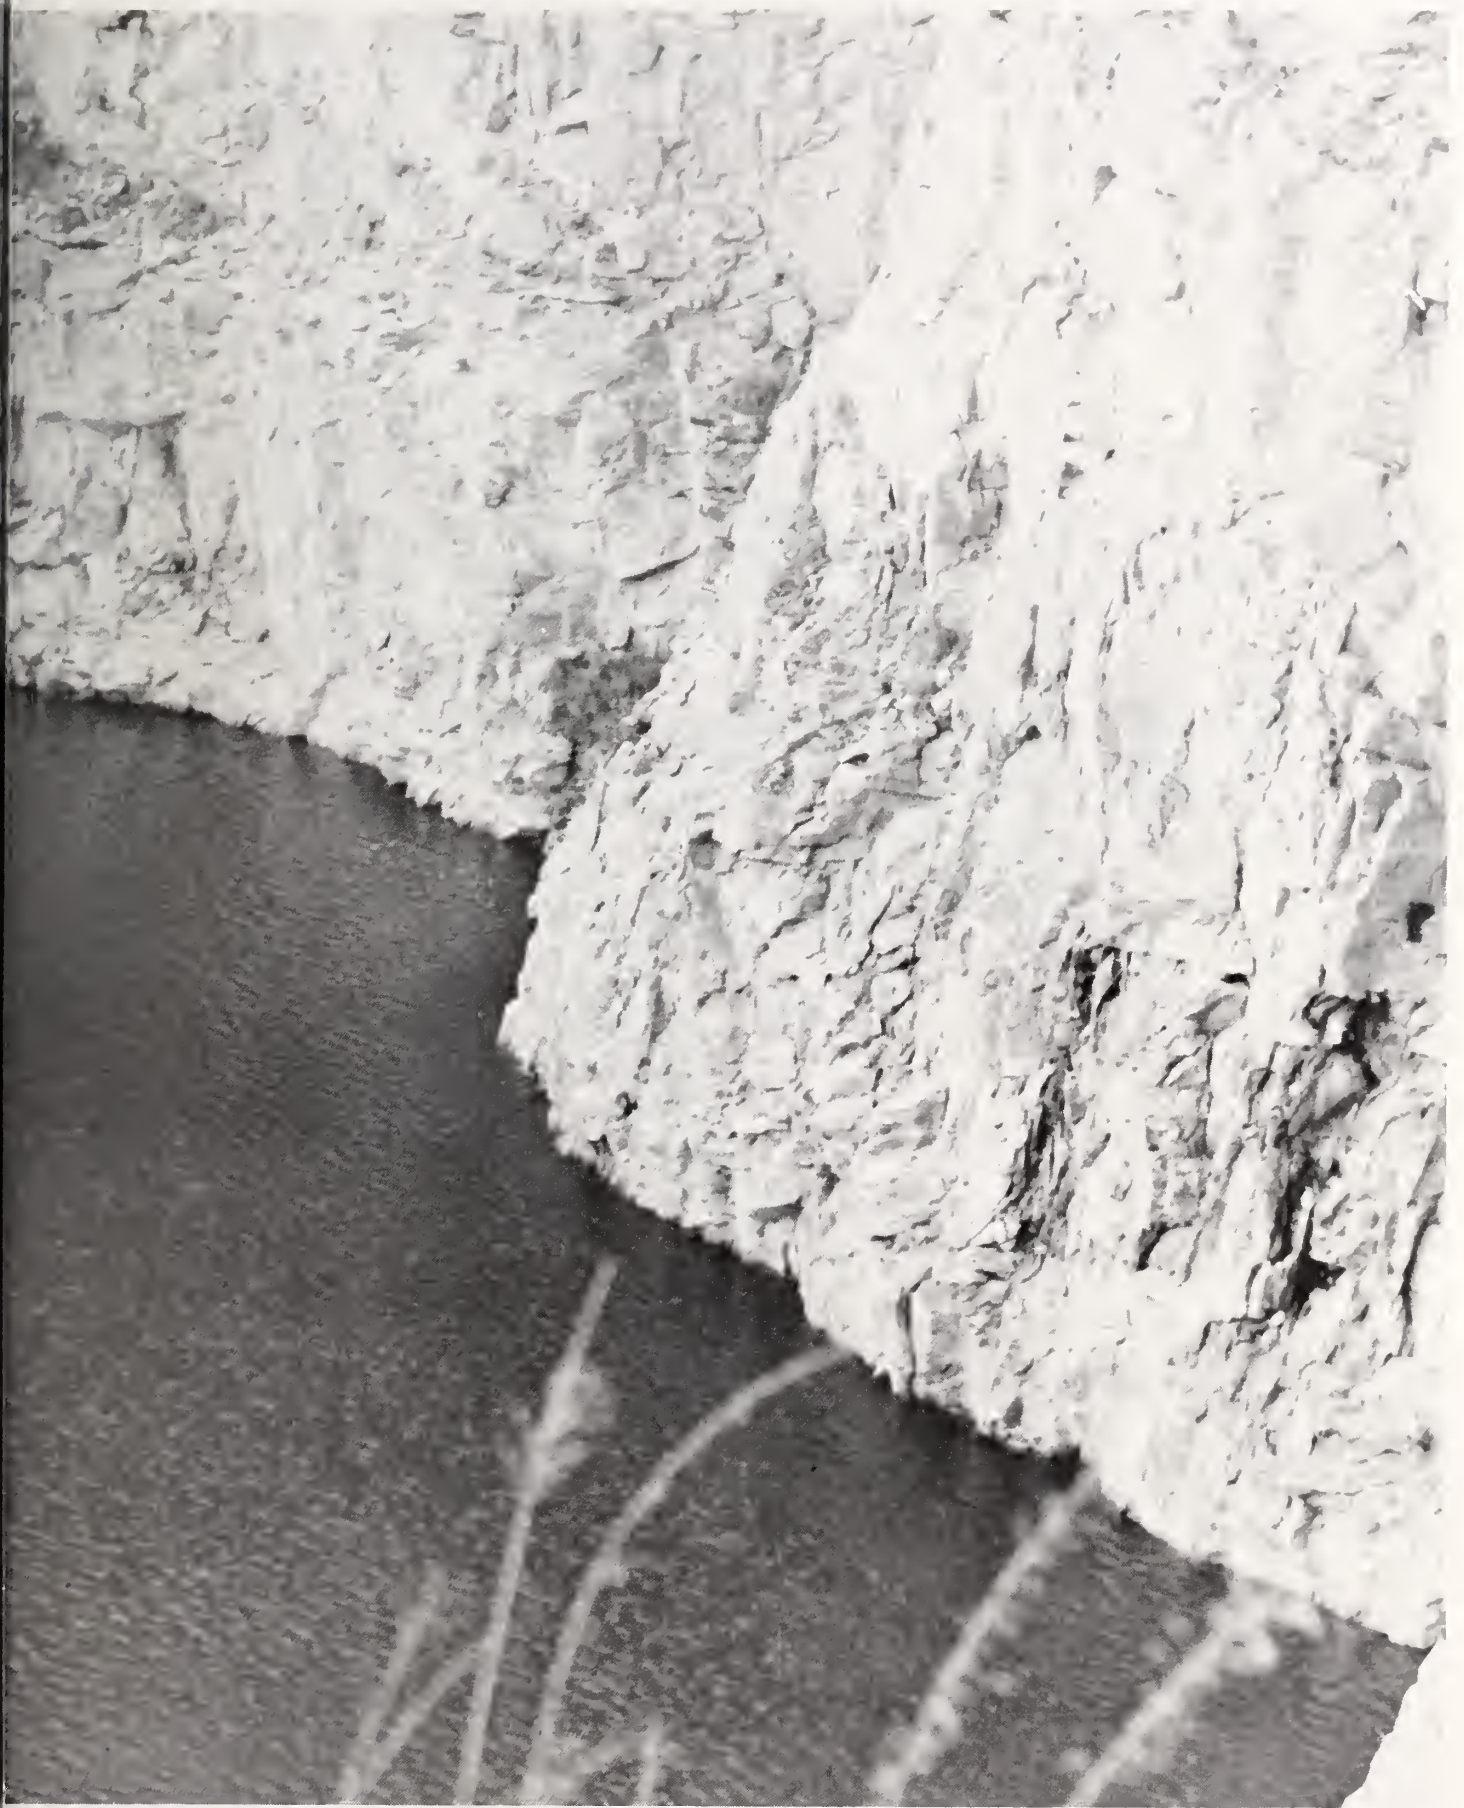

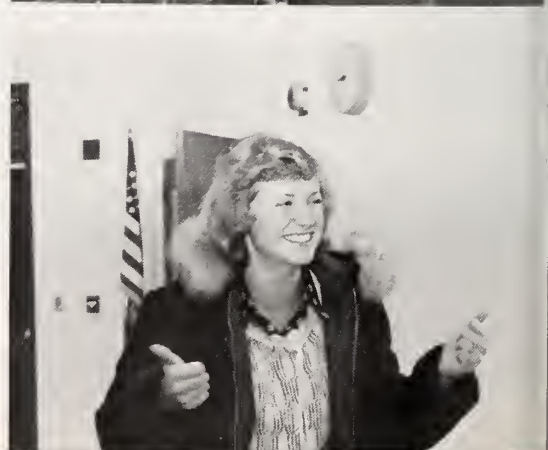

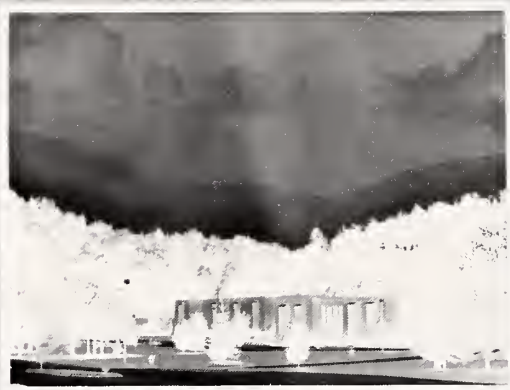

If you can make each day a new beginning
to do what you've been called upon to do

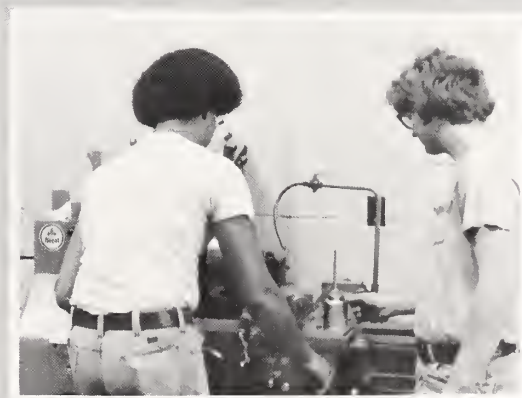

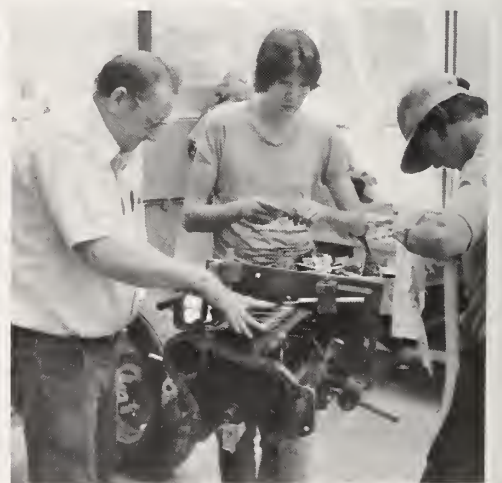

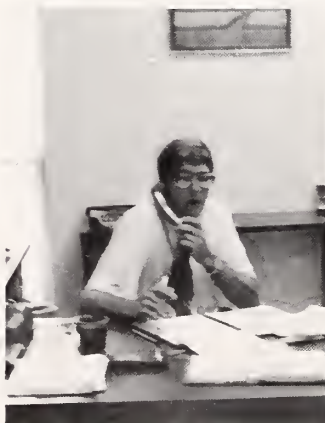

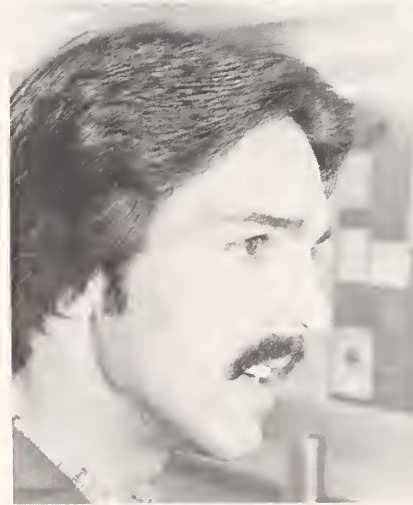

Put first things first
and finish what you've started
Yet still find ways to take time out for you

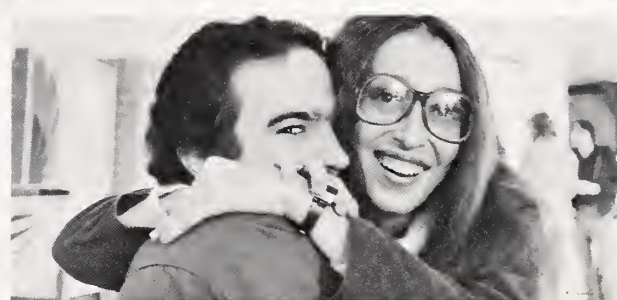

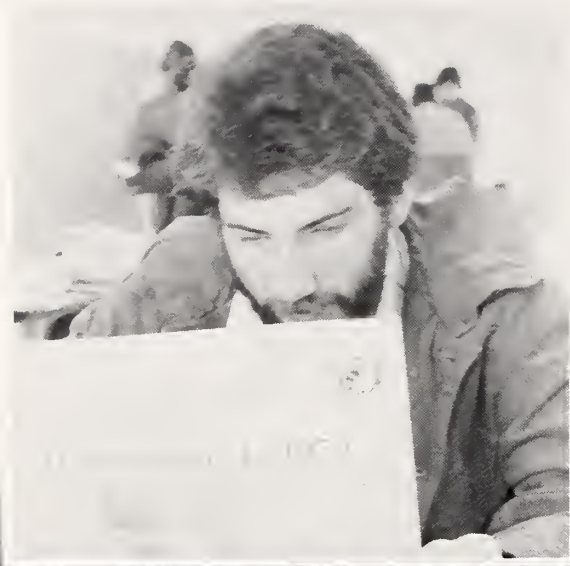

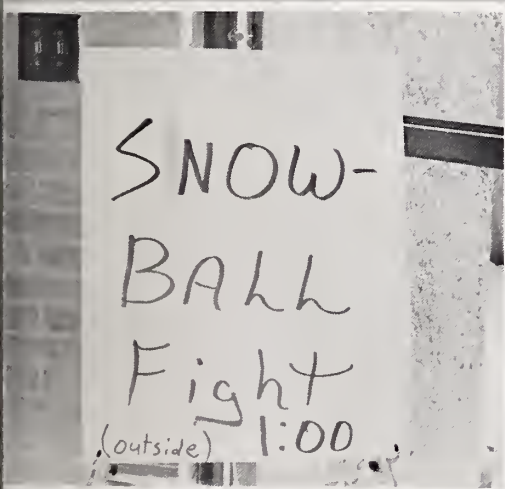

If you can be completely self-sufficient
without a loss of gender

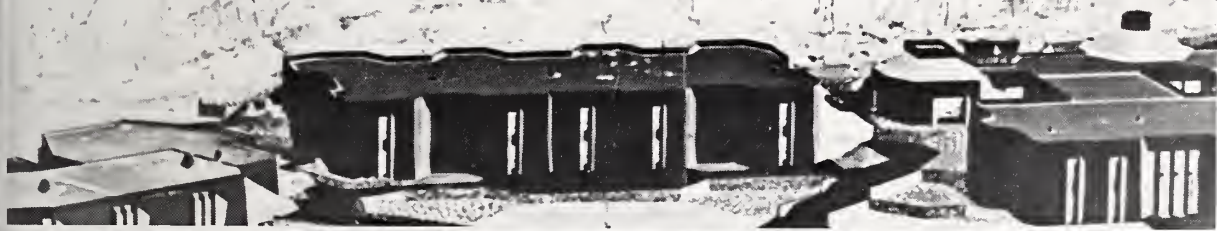

THE WCC STUDENT

Then deep inside your heart you can be certain
You'll be the person you were meant to be.
